Subject: FW: Inhance Technologies TSCA Information Request

FYI, The Inhance subpoena has been sent. I'm attaching a copy in case you would like to see it, but we agreed yesterday that the press materials would not link to subpoena.

Thanks – Sonja

Subject: Inhance Technologies TSCA Information Request

Good morning Prakash,

As James Miles indicated in his email of yesterday evening, we have some additional questions for Inhance and are issuing the attached request for information pursuant to Section 11 of the Toxic Substances Control Act (TSCA). The Office of Chemical Safety and Pollution Prevention (OCSPP) will also be issuing a statement today about the PFAS found in a pesticide stored in fluorinated containers. As you know, this is an important issue and we appreciate the information you provided on Saturday. The attached document provides instructions both for completing the Information Request Response Form and for asserting and substantiating any TSCA CBI claims associated with the information provided. We appreciate your cooperation to date and look forward to your prompt response to this request.

Please let us know if you have questions or would like to discuss the request further.

Sincerely,
Sonja

Sonja Rodman
Acting Chief, Chemical Risk and Reporting Enforcement Branch
Waste and Chemical Enforcement Division
